DOT-SP 12675
(FOURTH REVISION)

(FOR RENEWAL, SEE 49 CFR § 107.109)

1. GRANTEE: (See individual authorization letter)
2. PURPOSE AND LIMITATION:
 - a. This special permit authorizes the use of non-specification, reusable high-strength plastic or metal containers or other dedicated handling devices, for return transportation of airbag modules and seat-belt pretensioners from the assembly plant to the airbag manufacturer. This special permit provides no relief from the Hazardous Materials Regulations (HMR) other than as specifically stated herein.
 - b. The safety analyses performed in development of this special permit only considered the hazards and risks associated with transportation in commerce.
 - c. Unless otherwise stated herein, this special permit consists of the special permit authorization letter issued to the grantee together with this document.
3. REGULATORY SYSTEM AFFECTED: 49 CFR Parts 106, 107 and 171-180.
4. REGULATIONS FROM WHICH EXEMPTED: 49 CFR § 172.301(c) in that marking the special permit number on the packaging is waived; and § 173.166(e)(4) in that the return transportation of the materials listed in paragraph 6 of this special permit in non-specification packaging, is not authorized, except as specified herein.
5. BASIS: This special permit is based on the application of Toyota Motor Manufacturing, North America, Inc., dated February 7, 2005 submitted in accordance with § 107.109.

6. HAZARDOUS MATERIALS (49 CFR § 172.101):

Proper Shipping Name/ Hazardous Materials Description	Hazard Class/ Division	Identi- fication Number	Packing Group
Air bag inflators, or Airbag modules or Seat-belt pretensioners	9	UN3268	III

*The materials listed in paragraph 6 must be approved by the Associate Administrator for Hazardous Materials Safety prior to transportation.

7. SAFETY CONTROL MEASURES:

a. PACKAGING - Packaging prescribed is a non-specification, reusable high-strength plastic or metal container or other dedicated handling device, as specified in § 173.166(e) (4), which meet the following conditions:

(1) The gross weight of the container or handling device may not exceed 1000 kg (2,205 lbs.). The container or handling device structure must provide adequate support to allow them to be stacked at least three containers high with no damage to the containers or the devices.

(2) If not completely closed by design, the container or handling device must be covered with plastic, fiberboard, or metal. The covering must be secured to the container by banding or other comparable methods.

(3) Internal dunnage must be sufficient to prevent movement of these devices within the container.

8. SPECIAL PROVISIONS:

a. A person who is not a holder of this special permit who receives a package covered by this special permit may reoffer it for transportation provided no modification or change is made to the package or its contents and it is reoffered for transportation in conformance with this special permit and the HMR.

December 29, 2006

- b. A current copy of this special permit must be maintained at each facility where the package is offered or reoffered for transportation.
- c. The airbag modules and seat-belt pretensioners covered under this special permit are authorized in packaging described in paragraph 7 above only for the return transportation, from the assembly plant to the manufacturing facility, provided no modifications or changes are made to the packagings and all terms of the special permit are complied with.
- d. A current copy of this special permit must be maintained at each manufacturing or assembly facility from which such offering occurs.
- e. A current copy of this special permit must be maintained at each manufacturing or assembly facility where these devices are manufactured or returned from, and must be made to a DOT representative upon request.
- f. The marking requirement of § 172.301(c) is waived.
- g. Shipping papers displaying 'DOT-E 12675' may continue to be used until (one year after renewal), provided the special permit remains valid.
9. MODES OF TRANSPORTATION AUTHORIZED: Motor vehicle and rail freight.
10. MODAL REQUIREMENTS: A current copy of this special permit must be carried aboard each motor vehicle used to transport packages covered by this special permit.
11. COMPLIANCE: Failure by a person to comply with any of the following may result in suspension or revocation of this special permit and penalties prescribed by the Federal hazardous materials transportation law, 49 U.S.C. 5101 et seq:
- o All terms and conditions prescribed in this special permit and the Hazardous Materials Regulations, 49 CFR Parts 171-180.
 - o Persons operating under the terms of this special permit must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

December 29, 2006

- o Registration required by § 107.601 et seq., when applicable.

Each "Hazmat employee", as defined in § 171.8, who performs a function subject to this special permit must receive training on the requirements and conditions of this special permit in addition to the training required by §§ 172.700 through 172.704.

No person may use or apply this special permit, including display of its number, when this special permit has expired or is otherwise no longer in effect.

Under Title VII of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU)- 'The Hazardous Materials Safety and Security Reauthorization Act of 2005' (Pub. L. 109-59), 119 Stat. 1144 (August 10, 2005), amended the Federal hazardous materials transportation law by changing the term 'exemption' to 'special permit' and authorizes a special permit to be granted up to two years for new special permits and up to four years for renewals.

12. REPORTING REQUIREMENTS: Shipments or operations conducted under this special permit are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR §§ 171.15 - Immediate notice of certain hazardous materials incidents, and 171.16 - Detailed hazardous materials incident reports. In addition, the grantee(s) of this special permit must notify the Associate Administrator for Hazardous Materials Safety, in writing, of any incident involving a package, shipment or operation conducted under terms of this special permit.
